

Dear Members,

We would like to inform you that the upcoming ASPI Fall Customer Alignment Meeting has been cancelled. Given the recent and significant leadership transitions within the host organization, the ASPI board of directors believes that rescheduling the meeting for a later date will provide a more valuable and productive experience for our members.

While we regret having to make this decision, it is important for ASPI that attendees can engage with the host organization's leadership team under the best possible circumstances and experience the full value of a world-class facility and program.

Since 1933 ASPI has been advocating for the industry we all know and love, let's continue to do everything we can as ASPI members to make sure we continue with those efforts supporting our customers.

We appreciate your understanding, flexibility, and continued support during this period of transition. We look forward to sharing future plans and providing an exceptional alignment meeting experience at a later date.

Registered attendees will be able to select from a full refund or a transfer to either Spring or Fall 2027. Please let ASPI Staff know your preferred choice. Your hotel reservations will be canceled automatically by Cambria, but please feel free to reach out to ASPI Staff for more information if needed.

If you have any questions or comments, please feel free to reach out to ASPI Board President, Darren Lett at 920-379-4770.

Thank you for your continued partnership.

Sincerely,

The ASPI Board of Directors
